DATE OF BIRTH: January 8, 1955
PLACE OF BIRTH: Kars-Turkey
CITIZENSHIP: Turkish
MARITAL STATUS: Married with a son and a daughter

ACADEMIC DEGREES:

- Ph.D. Mathematical Physics, 1983-1988
Middle East Technical University, Ankara, Turkey
Thesis: Stationary, Axi-symmetric Einstein Field Equations
in Higher Dimensions: Harmonic Mappings ,Uniqueness of
Solutions and Inverse Scattering Transform Technique,
February 1988
Supervisor: Prof.Dr. Ahmet Eriş
- M.Sc. Mathematical Physics, 1980-1983
Middle East Technical University, Ankara, Turkey
Thesis: The Configuration Space of Stationary Axially
Symmetric Einstein–Maxwell Fields,
February 1983
Supervisor: Prof.Dr.Ahmet Eriş
- B.Sc. Physics with Honors, 1975-1980
Middle East Technical University, Ankara, Turkey

CURRENT RESEARCH INTERESTS:

- Integrable systems
- Generalised Symmetries of Nonlinear PDEs
- Hamiltonian Systems
- General Relativity

SCHOLARSHIPS AND AWARDS:

- 1995-96 Educational Award–Prof.Dr.Mustafa Parlar Foundation

EMPLOYMENT HISTORY:

- 10/02–present Professor
Department of Physics, Middle East Technical University,
Ankara, Turkey
- 11/91–10/02 Associate Professor
Department of Physics, Middle East Technical University,
Ankara, Turkey
- 10/91–06/92 Part Time Instructor
Department of Physics, Bilkent University, Ankara, Turkey
- 12/90–11/91 Assistant Professor
Department of Physics, Middle East Technical University,
Ankara, Turkey
- 10/82–12/90 Research Assistant
Department of Physics, Middle East Technical University,
Ankara, Turkey

SERVICE TO Physics Department:

- Assistant to the Chairperson ,1996-1997
- Student Advisor, 1994-1998
