

# STRUCTURE of AutoCAD

# Use «Search» tool of Windows

The screenshot displays the Windows Search interface overlaid on a Microsoft PowerPoint presentation. The search results are categorized into 'Best match', 'Apps', and 'Search the web'. The 'Best match' section shows 'AutoCAD Mechanical 2020 - English' as the top result. The 'Apps' section lists several applications, including 'AutoCAD 2020 - English - AutoCAD Mechanical', 'Autodesk Inventor Professional 2020 - English', 'Autodesk Fusion 360', 'AutoFEM Analysis Lite', 'Autodesk Desktop App', 'Autodesk Inventor Nastran Editor Utility 2020', and 'Settings (7+)'. Two red arrows point from text boxes to the search results. The first arrow points to 'AutoCAD Mechanical 2020 - English' with the text 'Correct option for opening AutoCAD-Mechanical'. The second arrow points to 'AutoCAD 2020 - English - AutoCAD Mechanical' with the text 'Correct option for opening AutoCAD'. The background shows the PowerPoint interface with the 'Home' tab selected and various toolbars visible. The Windows taskbar at the bottom shows the search bar with 'AutoCAD Mechanical 2020 - English' entered, and the system tray displays the time as 01:53 on 13/02/2020.

# To add «drop-down menu bar»

1. Click on this arrow head

2. Select this option

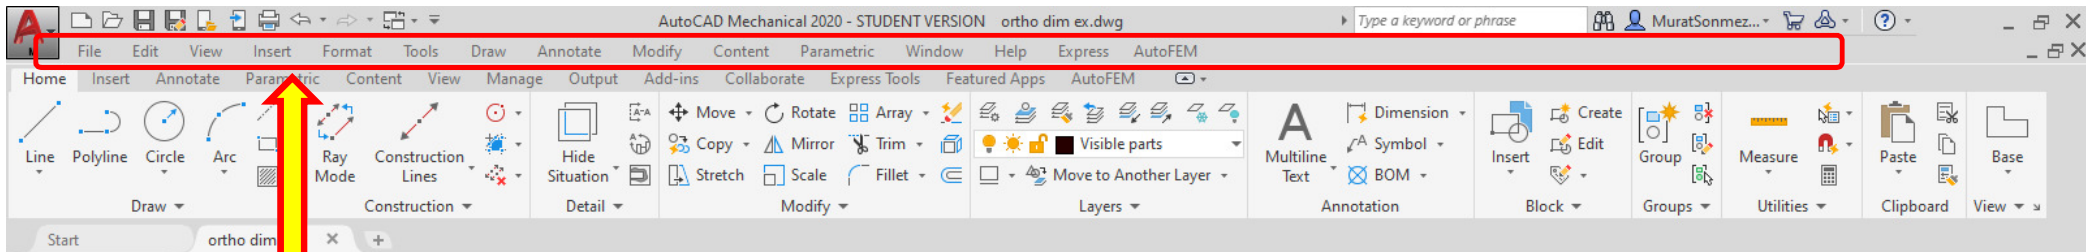

The screenshot displays the AutoCAD Mechanical 2020 interface. The 'Customize Quick Access Toolbar' menu is open, showing various options. A red arrow points to the top-left corner of the ribbon, indicating where to click. Another red arrow points to the 'Show Menu Bar' option in the menu.

The main drawing area shows a technical drawing of a mechanical part with dimensions and annotations. The drawing includes a front view, a top view, and a section view. Dimensions are provided in millimeters (mm). The drawing is titled 'ortho dim ex.dwg'.
